However, if before you shoot the Woburn match you sign a disclaimer that you don't want it to be your tryout then the June 27 airgun match will be your tryout. Anybody signing the disclaimer and then unable to attend the June 27 tryout will not be included in the finals selection process.

Previous competitors should receive a postcard from Bay State Games in April or early May telling you how to register. If you don't get one, then get in touch with the the Massachusetts Amateur Sports Foundation – www.baystategames.org or call 781-932-6555. You can register online and pay online using a credit card, or use a paper application and a check. Please return those forms with the entry fee to the Bay State Games. If you have trouble signing up at baystategames.org, you can always print out their entry form and mail it in with a check. This year there will not be separate tryout and finalist fee. One fee will cover all pistol events. When you get to the point in the signup process on the BSG website where you need your towncode, I suggest that you open a second browser window and look it up in that window.
