

April 2010

Dear Track and Field Official,

The 29th edition of the Bay State Summer Games, Massachusetts' own Olympic-style sports festival for all amateur athletes in the commonwealth, will be held in July, 2010. Track and Field will once again be included among what is now 29 sports in the Bay State Summer Games including our latest additions of Flag Football, Bowling and Weightlifting. The Track and Field competition begins with regional qualifiers held at four locations around the state between June 15 and 25. There will be male and female divisions in three different age groups. The top four finishers in each division and event will advance to the Track and Field Finals to be held on Saturday, July 10 at the University of Massachusetts-Lowell Track facility.

Track and Field officials from across Massachusetts have been extremely supportive of the Bay State Games, volunteering their time for both the Qualifiers and the Finals. We greatly appreciate this assistance. As we begin preparations for the 2010 Track competition we would like to invite you to serve as an official at this year's Qualifiers and Finals. If you can help, please fill out the enclosed volunteer form indicating the qualifier(s) you can attend as well as your availability for the finals. Please return this form to the Bay State Games by **Friday, May 28**.

If you sign up for a particular qualifier, you will be contacted one week prior to the date of the event by the officials coordinator assigned to that particular meet. The officials coordinator will confirm your assignment and any other details regarding the meet. Officials selected to work the Finals will receive a confirmation from the Bay State Games approximately two weeks prior to the Finals.

Track & Field officials will be joining officials from 28 other sports in volunteering to work at the Bay State Games. This is a tremendous contribution to amateur sports and we are grateful for your support. If you have any questions, please don't hesitate to contact me at (781) 932-6555 or via e-mail at [info@baystategames.org](mailto:info@baystategames.org)

Sincerely,
